Note:

1. Related Party transactions have been approved by Audit Committee,Board and Shareholders of the Company, as applicable.
2. The transactions with the related parties are made on terms equivalent to those that prevail for arm's length transactions. The assessment is undertaken each financial year through examining the financial position of the related party and in the market in which the related party operates. Outstanding balances are unsecured and will be settled in cash.
3. All transactions from related parties are made in ordinary course of business. For the period ended September 30, 2023, the Company has not recorded any impairment of receivables relating to amounts owed by related parties. This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.
4. Post-employment benefits, etc. includes provision for leave, gratuity and other post-retirement benefits, which cannot be separately identified from the composite amount advised by the actuary.
